### **Elimina los obstáculos**

Hoy tenemos la dicha de dar la bienvenida a numerosos nuevos católicos que se unieron a la Iglesia en la vigilia de anoche. Cualquier obstáculo que se interpusiera en su camino hacia haya sido superado. Estos nuevos católicos se han unido libremente a nuestra comunidad de creyentes y se han comprometido a seguir el camino de Jesús. Aportan nueva vida y energía a nuestra comunidad. ¿Qué te impide creer con mayor plenitud? El mensaje de la Pascua es: En cada momento, Cristo vive. Si se encuentran preguntándose cómo pueden mostrar que Cristo vive en ti, piénselo en términos de las tres reglas eternas que conducen al cielo: no hacer daño a nadie, hacer todo el bien que se puede, y enamorarse y permanecer enamorados de Dios.

¡Feliz y bendecida Pascua!

### **Roll away the roadblocks**

Today we are blessed to welcome a host of new Catholics who became part of the church at last night's vigil. Whatever obstacles that stood in the way have been rolled away. These new Catholics have entered freely into our community of believers and have committed to be followers of the Way of Jesus. They bring new life and energy to our fellowship. What gets in the way of your believing more completely? The message of Easter is: In every moment, Christ lives. If you find yourselves asking how you can show that Christ lives in you, think of it in terms of the three heaven bound rules of all time: do no harm, do all the good you can, and fall in Love and stay in love with God. Happy and Blessed Easter!

## Easter Sunday Believing Is Seeing

You've heard the saying "Seeing is believing." Today's first reading seems to say just the opposite. You might think that when Jesus rose from the dead, everyone would see him. Then his friends would rejoice and those who had put him to death would repent (or run as fast as they could). Yet Peter says that he was only visible to some of the disciples. Jesus did not appear to Herod or Pilate or Caiaphas. The Pharisees and scribes did not see him, either. Even the disciples did not immediately see him. The first thing they saw was the empty tomb, with burial cloths lying on the ground. They may have thought that if his enemies had stolen Jesus' body, they would not have removed the burial cloths; touching a corpse would have made them unclean.

So it seems the empty tomb helped them to believe, and believing enabled them to see the Lord. The exception to this may be Thomas, who said he would not believe until he saw and touched Jesus' risen body. Yet when he does see the Lord, Jesus himself declares that believing is primary when he blesses those who have not seen but still believe (John 20:31). Another example could be Mary of Magdala. She saw him, thinking he was the gardener. Then she believed and recognized him.

What does this mean for us? Jesus seems to be hidden again. Yet we say that he is present in the sacraments; Baptism, Eucharist, and Confirmation show that the Father, Son, and Holy Spirit live in us. So perhaps we just need to believe in order to see him. Mother Teresa could do it. She said she was amazed at the love she felt when she saw Jesus in the poor and the dying people of Calcutta. St. Francis saw him not only in the poor but in all creation. Maybe we need to grow in faith so that we can see Jesus in the poor, the dying, the people who annoy us, even our enemies.
